| <b>Brief outline of the course:</b><br>TOEFL iBT tests are the product of Educational Testing Services an international nonprofit organization.<br>The TOEFL test helps prove candidates have the English skills they will actually use in an academic classroom. In the test, candidates may read a passage from a textbook and listen to a lecture and then speak or write in response, just like they would in a classroom. Because the test is composed of 100% academic questions and tasks, many universities consider it the most appropriate test to use when making admissions decisions.<br>TOEFL test scores help candidates stand out because of the TOEFL test's reputation for quality, fairness and 100% academic content. It is the most widely accepted English-language test in the world, including more than 9,000 colleges, universities, agencies and other institutions in 130 countries. And that list includes the top 100 universities in the world.<br>By sending TOEFL scores to your selected university, you will be proving that you are ready for academic success.<br>Learn more at:<br><a href="http://www.upjs.sk/filozoficka-fakulta/toeic-a-toefl/">http://www.upjs.sk/filozoficka-fakulta/toeic-a-toefl/</a> |                                                                                                                                  |

| <b>Brief outline of the course:</b><br>TOEFL iBT tests are the product of Educational Testing Services an international nonprofit organization.<br>The TOEFL test helps prove candidates have the English skills they will actually use in an academic classroom. In the test, candidates may read a passage from a textbook and listen to a lecture and then speak or write in response, just like they would in a classroom. Because the test is composed of 100% academic questions and tasks, many universities consider it the most appropriate test to use when making admissions decisions.<br>TOEFL test scores help candidates stand out because of the TOEFL test's reputation for quality, fairness and 100% academic content. It is the most widely accepted English-language test in the world, including more than 9,000 colleges, universities, agencies and other institutions in 130 countries. And that list includes the top 100 universities in the world.<br>By sending TOEFL scores to your selected university, you will be proving that you are ready for academic success.<br>Learn more at:<br><a href="http://www.upjs.sk/filozoficka-fakulta/toeic-a-toefl/">http://www.upjs.sk/filozoficka-fakulta/toeic-a-toefl/</a> |                                          |
