Course ID: UEP/ VPJSDEU/13	Course name: Interpretation and application of ECJ Case law in legal practice
Course type, scope and the method: Course type: Controlled study hour Recommended course-load (hours): Per week: 2 Per study period: 28 Course method: present	
Number of credits: 4	
Recommended semester/trimester of the course:	
Course level: II.	
Prerequisites:	
Conditions for course completion: - more than 75% participation in the seminars, - comprehensive presentation of particular cases assigned to every student, - at the end of the course everyone has to participate on the final debate and present within 10 minutes his or her view on his or her case in relation to corresponding provisions of Slovak law	
Learning outcomes: Firstly, students may acquire basic experience how to work and use the case law of the Court of Justice of the EU in legal practice; secondly, they may extend their English legal vocabulary and its use and, finally, activities during seminars may lead to strengthening of their communication skills in the area of the EU law.	
Brief outline of the course: 1. An introductory word on the subject of the seminar by a chosen student that would last from 7 to 10 minutes and should be concentrated to the principal legal questions which the Court of Justice or the General Court had to deal of. In more detail it means, mainly, to characterize the preliminary reference of the national court (or other legal subject-matter of the case) and the answer of the Court of Justice with the most pertinent reasons (Other students will have an opportunity to precise that opening speech) 2. Specificities of the legal vocabulary regarding the case at hand and its usage in Slovak legal order (examples and references to specific legal areas) 3. A debate on the subject defined by the judgment of the Court of Justice or General Court ending by personal views of the students on how they would conceive a use of the judgment concerned in legal practice. 4. Concluding remarks
