Course type, scope and the method: Course type: Practice Recommended course-load (hours): Per week: Per study period: 13s Course method: present	
Number of credits: 4	
Recommended semester/trimester of the course: 5.	
Course level: I.	
Prerequisites:	
Conditions for course completion: Attendance and Participation: There are plenty of good reasons for missing a class, but I can never sort out the good, bad, or fictitious. Whatever the reason, if you miss more than two classes you will fail the course. If you are late more than three times you will fail the course. I will lower your final grade by one letter if you are silent, disengaged, or unprepared. Drafts, Deadlines, and Late Work: Throughout the course, I will encourage you to write multiple drafts of each assignment. Writing multiple drafts will improve your writing and take some of the stress out of the final deadline. Ideally, you will have a first draft well before the deadline, so you should always be able to get something in on time. If a paper or draft is late, you may email it to me anytime, but I will reduce the grade by one letter per day. You must complete all of the assignments in order to pass. Continuous Assessment: You will write a broad range of assignments, and hopefully you will write nearly everyday until the end of the semester, but some assignments will be worth more than others. There is no exam. 3 Poems 20% A 93-100% Short Story 20% B 86-92% CNF Essay 20% C 78-85% Revision 20% D 72-77% Notebook 20% E 65-71%	
Learning outcomes: To introduce fundamental elements of creative writing across a wide range of genres.

Prerequisites:	
Conditions for course completion: Continuous assessment: Students will be asked to sit two short credit tests. The sum of the scores from these two tests must be at least 65% in order for a student to be allowed to take the final exam. Since there are no retakes for these two tests, it is required of the students to be present at every seminar. Each student is required to have their own copy of the seminar materials. Each student is further required to prepare written notes/fill in the seminar handouts (available on ff web) BEFORE each seminar and bring them to class. Failing to do so will result in considering the student absent for the given seminar session. Final assessment: Written examination: Test based on the lecture content and compulsory reading. Mark % A 93 – 100 B 86 – 92 C 78 – 85 D 72 – 77 E 65 – 71 FX 64 - 0 NOTICE that LECTURE OUTLINES will be provided on the internet site ffweb.ff.upjs.sk/vyuka . The outlines present some basic facts and extracts from the literary works discussed during lectures. The outlines, however, should not be perceived as a sole study source. Performing well on the final exam requires taking careful lecture notes and studying of the recommended literature.	
Learning outcomes: Students will acquire basic knowledge of the given periods of British literature, with the focus on the evolution of the English language and culture. They will develop their academic skills: close reading of literary texts; formulation of academic argument

SEMINARS

The main aim of the seminars is to develop students' knowledge of the linguistic terms and concepts introduced on lectures. The great emphasis will be placed on the ability to understand and to use the key terminology, since this course prepares students for future advanced courses in linguistics. Class time will be spent working through students' responses to various questions related to lectures as well as to the texts students will be asked to read before attending class. Topics of the seminars will follow the content of the Introduction to Linguistics. A practical Coursebook.

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: KAaA/JAZZ2EX/09	Course name: Language Skills 2
Course type, scope and the method: Course type: Practice Recommended course-load (hours): Per week: Per study period: 52s Course method: present	
Number of credits: 4	
Recommended semester/trimester of the course: 2.	
Course level: I.	
Prerequisites:	
Conditions for course completion: 1. Attendance - students are expected to attend each class according to the schedule. They must be present on tests. 2. Active participation, completed homework assignments - students are required to do their best with respect to active participation in seminar sessions. They are expected to bring their own copies of the required materials and complete the assigned tasks and exercises. 3. CONTINUOUS ASSESSMENT – Language skills 2 (LS2) as a subject comprises 4 parts (1- reading, 2- speaking, 3- listening , 4- grammar) which are paired into two blocks (listening and grammar; reading and speaking). Students will take 2 credit tests, presumably during tutorial weeks. The date of the test may change. The three parts (reading, listening, and grammar) will be included in the tests and speaking will be tested orally, and they will be tested on the same day; however, each part will be considered separately. At the end of the semester, within each part of LS2 separately, your partial scores will be calculated based on the results of partial credit tests. In order to pass one part of LS2, you need to score 65% minimum as a sum of both partial credit tests. Final assessment and evaluation: The student will receive final credits when getting minimum 65% for each of the three parts of LS2. In such case the final credits will be calculated as an average of all percentage results (65% and more) from all LS2 parts. If students fail one part of LS2, they fail the whole subject and cannot receive any credits. There will not be any re-take tests for those who failed to achieve the pass level. FINAL EVALUATION : A 93-100% B 86-92% C 78-85% D 72-77% E 65-71% FX 64 and less Should you have any questions on the above explained forms of assessment, address them to your individual lecturer at the beginning of the semester.

Prerequisites:	
Conditions for course completion: Attendance and Participation: You may miss two hours without penalty. You will fail the course if you miss more than two hours. Hopefully, you'll be eager to come and eager to speak up in class. If, however, you attend but are consistently mute and mysterious, I will lower your grade by one letter. Drafts, Deadlines, and Late Work: Throughout the course, I will encourage you to write multiple drafts of each paper. Writing multiple drafts will improve your writing and take some of the stress out of the final deadline. Ideally, you will have a first draft well before the deadline, so you should always be able to get something in on time. If a paper or draft is late, you may email it to me anytime, but I will reduce the grade by one letter per day. You must complete all of the assignments in order to pass. Continuous Assessment: You will write two, five page papers. There will also be occasional quizzes which will be worth ten percent of your grade. Assignment descriptions are posted on ffweb. For each paper, I will break down your overall grade into four categories: Concept, Structure, Language, and Documentation. On your final paper, if you receive an FX in any one of these four categories, you will fail the course. There is no final exam. Paper 1 40% A 93-100% Quiz 10 % B 86-92% Paper 2 50% C 78-85% D 72-77% E 65-71%	
Learning outcomes: To teach grammatical and rhetorical forms, improve students' research and analytical skills, and clarify the conventions of academic discourse.
