With the aim to clarify key moments it describes some crucial after-war moments, pays attention in particular to the establishment of left-wing resistance and its influence on after-war fate of individual countries. The course informs about transition of individual Balkan countries to the living conditions of peace. Emphasis is put on gradual sovietisation of Romania, Bulgaria, Albania and Yugoslavia. The course also defines main political, economic and cultural features of individual Balkan states in after-war period. Attention is paid to the specific development in Greece (civil war) and Yugoslavia (conflict between Tito and Stalin). The course describes circumstances of dissolution of Yugoslavian communist organization and establishment of plurality system in individual republics and crisis moments of development in Croatia, Bosna and Hercegovina, and Kosovo until 1992, i.e. until official date of dissolution of SFRJ. It explains war events connected with the dissolution. It also tries to answer the question what chance peace had in Yugoslavia and in this connection it analyses the role of non-governmental organizations and peace movements.
