COURSE INFORMATION LETTER

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: KSP/ SPR/07	Course name: Administration Law
Course type, scope and the method: Course type: Lecture / Practice Recommended course-load (hours): Per week: 2 / 1 Per study period: 28 / 14 Course method: present	
Number of ECTS credits: 5	
Recommended semester/trimester of the course: 3.	
Course level: I.	
Prerequisites:	
Conditions for course completion: The subject ends with an exam. During the semester the student prepares and presents seminar work for the seminar. During the test period, a knowledge test and an oral exam are carried out. To obtain A, the student must earn at least 91 points to obtain a B rating of at least 81 points to obtain a C rating of at least 71 points to obtain a D rating of at least 61 points to obtain an E rating of at least 51 points. A student who scores below 51 points will be rated FX. The resulting rating is calculated from the sum of the following parts: 80% participation in lectures and seminars 20 points Active seminar presentation 20 points Written examination of 30 points Oral exam 30 points External and distance learning is assessed by written exam and oral exam.	
Learning outcomes: The aim of the course is to provide students with theoretical and practical knowledge related to public administration, its division, institutes and bodies. The course also presents basic knowledge about general institutes of administration law, subjects, forms and methods of activities of public administration, control, state service, administrative and legal liability, types of administrative offences, and gives students theoretical and practical knowledge related to administrative proceedings and its individual institutes as well as specific types of administrative proceedings so that they can successfully apply their knowledge in practice.	
Brief outline of the course: Public administration – state administration, self-administration. Administration law (definition, system, sources, codification). Subjects of administration law. Standards of administration law. Administration and legal relations. Methods of public administration. Control in public administration. Liability in public administration. Enforceability of law in public administration. Administrative proceedings – Administrative Procedure Code, commencement of proceedings, service of documents, periods, course of proceedings, discontinuance, suspension. Administrative proceedings – submission of proofs, decision. Administrative proceedings – remedies, execution of decision.

COURSE INFORMATION LETTER

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: KSP/ PP/10	Course name: Labour Law in Social Work
Course type, scope and the method: Course type: Lecture / Practice Recommended course-load (hours): Per week: 2 / 1 Per study period: 28 / 14 Course method: present	
Number of ECTS credits: 5	
Recommended semester/trimester of the course: 5.	
Course level: I.	
Prerequisites:	
Conditions for course completion: The subject ends with an exam. During the semester the student prepares and presents seminar work for the seminar. During the test period, a knowledge test and an oral exam are carried out. To obtain A, the student must earn at least 91 points to obtain a B rating of at least 81 points to obtain a C rating of at least 71 points to obtain a D rating of at least 61 points to obtain an E rating of at least 51 points. A student who scores below 51 points will be rated FX. The resulting rating is calculated from the sum of the following parts: 80% participation in lectures and seminars 20 points Active seminar presentation 20 points Written examination of 30 points Oral exam 30 points External and distance learning is assessed by written exam and oral exam.	
Learning outcomes: To prepare students to analyse, synthesize, compare, generalise, find the contexts, relations, identify objects and subjects of labour-legal relations. To describe the individual legal institutes on quantitative and qualitative level in terms of labour-law relations. Based on own knowledge to predicate status of labour law in social systems and its significance for social work. To explain the rules of the world of labour on the basis of the labour law institutes.	
Brief outline of the course: Basic principles of labour law. Labour-legal relationships. Employment, work discipline, and working hours. Obstacles at work and liability for damage. Discrimination in labour-legal relationships. Right to access to information. Collective labour and legal relations and collective labour law. Legislation of collective bargaining. Strike and lock-out. European labour law.
