<b>Prerequisites:</b>	
<b>Conditions for course completion:</b> Participation and activity on seminars. Attendance at lectures. Successful completion of 2 continuous exams. Post review. Successful completion of the oral exam. <b>CONTINUOUS LETTER</b> The maximum score is 10 for each. <b>REVIEW OF THE CONTRIBUTION</b> (also as compensation for unpreparedness in seminar exercises; in this case, the student does not earn points) # The student will find and choose a study (scientific article) in the field of sociology. The source should be scientific journals, proceedings ... in Slovak or foreign language. # The student will study and elaborate a review of the study in the range of max. 2 pages (2 A4). # The student presents both the content and the aim of the paper, selected results of the paper (empirical part of the study) at the seminar hour (time: 10 minutes). # The instructor student submits a study and a review of the study in print form. # Possible sources: Journal Sociology (Institute of Sociology, SAS); American Sociological Review; European Sociological Review; Sociological Review (Czech Sociological Review); Proceedings Sociological Conference; Conference of Sociology and Related Social Sciences; and other... Formalities: font 12 ppt., Times new roman, 1.5 spacing, block alignment, front page with university, faculty, title, year, student name. <b>SCOPE OF MANDATORY PARTICIPATION IN TEACHING (SEMINAR TRAINING)</b> The student is obliged to complete the education in full. In the absence of compelling reasons, a justification should be given at the first consultation after the reason for non-participation. The teacher considers the reason for not attending, and if he or she decides to justify the absence, he / she then determines whether it is necessary to prepare a substitute benefit. # in the case of a decision on substitute performance, it is the task of the student to search for a teacher with a request for a replacement performance as soon as circumstances permit. # maximum 3 absences can be substituted. # non-observance of punctuality in the course of instruction is considered absent and may result in expulsion from instruction with all consequences	

# if the student does not fulfill the condition of obligatory extent of participation in teaching, the procedure of the teacher is regulated by Art. 12 of the Study Regulations of the University of Pavol Jozef Šafárik in Košice.

Disability, representation of a faculty, university or republic, the necessary care of one's own child in case of illness, and extraordinary personal or family reasons are considered serious reasons.

Written, exercise or examination are not important reasons for not attending compulsory education from another subject at the University's own or another faculty.

Extra ordinary personal or family reasons (eg wedding, funeral) concern the closest relatives, resp. student personally.

Spontaneous replacement of teaching with other study groups or on other dates is not allowed. Such a case should always be consulted, preferably in advance.

#### SCOPE OF VOLUNTARY PARTICIPATION IN TEACHING (LECTURES)

The maximum score is 10 points.

#### Academically dishonest behavior

The most common problems of academically dishonest behavior by students are the use of illicit devices in continuous written examinations or examinations, description, falsification of apologies or various forms of plagiarism (eg forgery, copying, collage plagiarism, etc.). In order to prevent such situations, any manifestations of the student's dishonest behavior will be an incentive to initiate disciplinary action in accordance with the Disciplinary Rules and Rules of Procedure of the Disciplinary Committee of the Faculty of Public Administration of the University of Pavol Jozef Šafárik in Košice.

A minimum of 21 points is required to pass the exam. The test shall be carried out orally. He / she can get a maximum of 60 points from the exam, but at least 31 points. The points obtained from the exercise and the exam are then calculated. To obtain the A rating, it is necessary to achieve at least 91 points, B - 81 points, C - 71 points, D - 61 points and E at least 52 points.

#### **Learning outcomes:**

Students know the basic elements of the social structure of society, their mutual determination, as well as the diversity of opinions on the causal context of specific social phenomena and processes. At the same time, they will become familiar with the bases on which social life is built, with the mechanisms of creating individual forms of social life, with the processes of social mobility and the role of social standards, social control and the various forms and types of social institutions in the regulatory and management processes of social life. This creates a prerequisite for understanding the functions of public administration in society. At the same time to understand the importance of science-based knowledge of social phenomena for public administration practice.
