Contextually based learning is of great importance, and various sources are suggested.

Brief outline of the course:

The course introduces various interesting aspects of English vocabulary learning. It revises useful points of English vocabulary (word classes/families, multi-word units, homonyms, synonyms and antonyms, etc.), familiarizes students with the ways new words are coined, learned, and presented.

Course level: I.	
Prerequisites:	
Conditions for course completion: 1. Attendance - students are expected to attend each class according to the schedule. No transfers among the groups are allowed. Students are allowed to miss two classes at the most. Should they miss three or more classes, they will not receive credits for the course no matter what their overall results are on tests. Students must be on time for class or they will be marked as absent. 2. Active participation, completed homework assignments - students are required to do their best with respect to active participation in seminar sessions. They are expected to bring their own copies of the required materials and complete the assigned tasks and exercises. Should they fail to bring their own copy or a completed home assignment for a particular seminar, they will be marked as absent. 3. CONTINUOUS ASSESSMENT – Language skills 2 (LS2) as a subject comprises 4 parts (1& 2 - reading & speaking, 3- listening , 4- grammar) . Students will take 2 credit tests, presumably during tutorial weeks. The date of the test may change. The three parts (reading, listening and grammar) of the subject will be included in the tests and speaking will be tested orally, and they will be tested on the same day; however, each part will be considered separately. At the end of the semester, within each part of LS2 separately, your partial scores will be calculated based on the results of partial credit tests and speaking part. In order to pass one part of LS2, students need to score minimum pass mark as set for their study group. Final assessment and evaluation: The student will receive final credits when getting minimum pass mark as set for respective study groups for each of the four parts of LS2. In such case the final credits will be calculated as an average of all percentage results from all LS2 parts. If students fail one part of LS2, they fail the whole subject and cannot receive any credits. There will not be any re-take tests for those who failed to achieve the pass level. FINAL EVALUATION : Scale for BASb and BASb (komb) double majors: A 93-100% B 86-92% C 78-85% D 72-77%	

E 65-71%
FX 64 and less
Scale for RSb:
A 90-100%
B 80-89%
C 79-70%
D 60-69%
E 50-59%
FX 49 and less

Scale for AJEIEb and AJEIEb komb:

A 94-100%
B 89-93%
C 83-88%
D 77-82%
E 70-76%
