COURSE INFORMATION LETTER

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: CJP/ FFAJPSP/08	Course name: English Language for Social Work
Course type, scope and the method: Course type: Practice Recommended course-load (hours): Per week: 2 Per study period: 28 Course method: present	
Number of credits: 4	
Recommended semester/trimester of the course: 2.	
Course level: II.	
Prerequisites:	
Conditions for course completion: Active participation in class and completed home assignments. Students are allowed to miss 2 classes at the most (2x90 min.) 2 credit tests (presumably in weeks 6/7 and 12/13) and an academic presentation in English related to the study programme Social Work. In order to be admitted to the final exam, a student has to score at least 65% as a sum of both credit tests. The exam test results represent 50% of the final grade for the course, continuous assessment results represent the other 50% of the final grade. The final grade for the course will be calculated as follows: A 93-100, B 86-92, C 79-85, D 72-78, E 65-71, FX 64 and less.	
Learning outcomes: Improvement of students' language skills (reading comprehension, listening comprehension and speaking) and English language communicative competence (students' familiarization with selected phonological, lexical and syntactic phenomena), development of presentation skills etc. at B1 level (CEFR) with focus on terminology of the study programme Social Work.	
Brief outline of the course: Study at Pavol Jozef Šafárik University. People in need. Social problems in Slovakia and in the world. Mental health, stress. Abilities, skills and talent. Healthcare. Selected grammatical phenomena: phrasal verbs, linking forms, nonfinite verb forms, modal verbs, passive voice. Language functions necessary for professional communication: argumentation, defining, classifying, etc. Linguistic interference.

Organizational aspects of project management, Models of organizational structures for project management. 6. Project team, managerial and communication skills in project management. Project team, project hierarchy, project manager, managerial roles and competencies. 7. Leadership and communication in project management. 8. Project preparation and planning. Principles of projecting, project planning process and creation of project plan. 9. Time planning and schedule I Time planning, schedule, Gantt chart. 10. Time planning and schedule II Methods of network analysis, critical path method. 11. Human resources planning. 12. Cost planning and budgets.	

13. Risk planning, project management and control.

Exercises in winter semester 2013/14

1. Introductory exercise.

Presentation of conditions which students must meet to be awarded a credit.

Practical experience with planning in common life. How to apply elements of planning in personal life.

Methods: presentation, working in pairs and discussion.

2. Objectives as a part of planning.

Formulation and evaluation of objectives, relations between objectives.

Method: case study – work in groups, discussion.

3. Forecasting and alternatives of plans as a part of planning process.

Forecasting, creation and evaluation of plan alternatives.

Method: case study and work in groups, discussion.

4. SWOT analysis.

Method: case study and working in pairs, discussion.

5. Practical preparation of social work project I.

Getting familiar with supporting institutions in social work projects, information about the semester assignment project.

Method: presentation, discussion.

6. Practical preparation of social work project II.

Identification of applicant for non-repayable financial contribution.

Method: work in groups, discussion.

7. Practical preparation of social work project III.

Production of SWOT analysis.

Method: work in groups, discussion.

8. Project and project management IV.

Reasoning, project objectives and target groups.

Method: work in groups, discussion.

9. Project and project management V.

Activities to accomplish the objectives, Gantt chart.

Method: work in groups, discussion.

10. Project and project management VI.

Project finalization.

Method: work in groups, discussion.

11. Presentation of projects I.

Presentation of individual projects and their evaluation.

Method: presentations, discussion.

12. Presentation of projects II.

Presentation of individual projects and their evaluation.

Method: presentations, discussion.

13. Communication as a part of project management.

Verbal and non-verbal communication.

Method: case study solved in pairs, discussion.

COURSE INFORMATION LETTER

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: KSP/TP/15	Course name: Criminal Policy
Course type, scope and the method: Course type: Lecture Recommended course-load (hours): Per week: 2 Per study period: 28 Course method: present	
Number of credits: 3	
Recommended semester/trimester of the course: 6.	
Course level: II.	
Prerequisites:	
Conditions for course completion: The subject ends with an exam. During the semester the student prepares and presents seminar work for the seminar. During the test period, a knowledge test and an oral exam are carried out. To obtain A, the student must earn at least 91 points to obtain a B rating of at least 81 points to obtain a C rating of at least 71 points to obtain a D rating of at least 61 points to obtain an E rating of at least 51 points. A student who scores below 51 points will be rated FX. The resulting rating is calculated from the sum of the following parts: 80% participation in lectures and seminars 20 points Active seminar presentation 20 points Written examination of 30 points Oral exam 30 points External and distance learning is assessed by written exam and oral exam.	
Learning outcomes: Graduates understand individual elements of social control and activities of enforcement bodies in the system of criminal policy. They can apply the knowledge related to criminal policy in the conditions of social work. Based on competencies and powers of the Police Force and other law protection bodies students will learn their capacities and legitimacy of requirements for their intervention in the matters related to social work.	
Brief outline of the course: Restorative and punitive justice Punishment as a part of social relations Theory of critique of power Contemporary criminological theories Punishment in terms of criminal law and misdemeanour law. Penalties and sanctions. Competencies and powers of the Police Force and other bodies of state enforcement. Formation of criminal policy
