Notes: The mid-term exam, midterm test and presentation on a given topic are not conditional on obtaining a minimum number of points. However, it is necessary to achieve min. 30 points. In case the student does not get the necessary min. The number of points (30) required to advance

Students are required to participate 100% in seminars. For each absence in seminars the teacher determines substitute written performance. Up to 3 absences can be replaced. Addition: the teacher assesses, based on the severity of the absence, whether he / she determines the written performance or justifies the student's absence without written performance.
