Continuous elaboration and sending of a written assignment on a topic determined in agreement with teacher. The written assignment will be evaluated with a maximum of 10 points. (Evaluation of written assignments: - demonstration of theoretical knowledge on the topic and work with resources - 4 points, - work content - 4 points, - formal adjustment of the work - 2 points). 2. Successful completion of the continuous test. (The test will have 20 questions and student can get a maximum of 20 points). In order to be awarded the grade, the student must obtain a minimum of 20 points in total. (The student is entitled to one resit.)	
Learning outcomes: The course is aimed at developing students' basic language skills, consolidating and developing all language skills, especially in French needed for everyday communication in order to successfully manage students' stays in international projects (e.g. Erasmus), in academic and professional French, as well as with regard to the future employment opportunities for students, at the beginner to intermediate level of language proficiency (A1 to B2) according to the Common European Framework of Reference for Languages. Emphasis is placed on the active use of a foreign language in everyday life, in the academic and scientific research environment as well as in any future professional activity.	
Brief outline of the course: Week 1: Introductory lesson, acquaintance of students with the organization of the semester and with the conditions evaluation Weeks 2 - 14: Working with texts, practical translations and exercises
