Course type, scope and the method: Course type: Practice Recommended course-load (hours): Per week: 2 Per study period: 28 Course method: present	
Number of ECTS credits: 2	
Recommended semester/trimester of the course: 1.	
Course level: II.	
Prerequisites:	
Conditions for course completion: Assessment of the subject) and its subsequent completion will be based on clearly and objectively set requirements, which will be set in advance and will not change. The aim of the assessment is to ensure an objective and fair mapping of the student's knowledge while adhering to all ethical and moral standards. There is no tolerance for students' fraudulent behavior, either in the teaching process or in the assessment process. The subject has two parts of evaluation: (1) Individual work (essay, reflection): My strengths and weaknesses of interviewing. The maximum number of points that a student can get is 40b. (2) Independent work - realization of an interview on camera. The maximum number of points that a student can get is 60b. The final evaluation will be based on the sum of these two assignments. Overall rating: A (100-90b), B (80-89b), C (70-79b), D (60-69b), E (51-59b), FX (50b and less). The student is allowed max. 2 absences from exercises.	
Learning outcomes: The subject is of practical focus with emphasis on the application of the curriculum. Its aim is to analyze and reflect on the psychological aspects of interviewing in the mass media space. The student will be given space to acquire the skills and techniques needed to successfully conduct a conversation in the media space. The method of teaching the subject will be oriented to the student. Lecturers will be interested in students' needs, expectations and opinions so as to encourage them to think critically by expressing respect and feedback on their opinions and needs. The content of the curriculum will be based on primary and high-quality sources that will reflect the topicality of the topics so as to ensure the connection of the curriculum with other subjects and also the connection of the curriculum with practice. Students will be expected to take an active approach in lectures and seminars with an emphasis on their independence and responsibility.	
Brief outline of the course: 1. Preparation of the interview (information, goals, expectations, psychological aspects of preparation). 2. The interview process.	

3. Recording and analysis of the interview.
