The content of the curriculum will be based on primary and high-quality sources that will reflect the topicality of the topics so as to ensure the connection of the curriculum with other subjects and also the connection of the curriculum with practice. Students will be expected to take an active approach in lectures and seminars with an emphasis on their independence and responsibility. The student is able to demonstrate an understanding of an individual's behavior in various conflict situations. The student is able to describe, explain and evaluate their own internal resources, competencies as well as limitations and weaknesses that are directly related to conflict management. The student is able to apply theoretical knowledge and principles of conflict resolution to everyday situations. After completing the course, students will be able to: a) express and summarize basic knowledge related to conflict management; b) understand the basic rules and dynamics of the origin, course	

and termination of the conflict; c) apply knowledge in practice, e.g. in the school environment; d) apply key competencies that increase the possibilities of their application in all areas of practice with a special focus on the work of a teacher. They will acquire knowledge from the theory of conflict management as well as capabilities and competences for solving them, e.g. in the context of school teams.

COURSE INFORMATION LETTER

University: P. J. Šafárik University in Košice	
Faculty: Faculty of Arts	
Course ID: KH/Dn/22	Course name: History of the Modern Era
Course type, scope and the method: Course type: Lecture / Seminar Recommended course-load (hours): Per week: 2 / 1 Per study period: 28 / 14 Course method: present	
Number of ECTS credits: 4	
Recommended semester/trimester of the course: 4.	
Course level: I.	
Prerequisites:	
Conditions for course completion: Preparation of two seminar papers of required quality elaborated on the basis of specialized literature and presented by a student during exercise + presentation in ppt. (at least 10 slides). The paper should consist of at least 5 standard pages (1.5 lining, TIMES NEW ROMAN, 12), however, it should not have more than 10 standard pages, it must contain notes and bibliography. Active participation in seminar-preparation for individual seminars by means of studying the text assigned in advance. Final written test.	
Learning outcomes: The aim of the course is to present the history of the "long" 19th century from the French Revolution (1789) to the First World War (1914-1918), in political, social and cultural connections. The priorities include development of European great powers and especially development of their political system, history of great ideological systems of the 19th century, history of symbolical aspects of revolutions, history of intellectual movements and cultural institutions with political importance. The course also involves analysis of basic terms connected with the 19th century, i.e. revolution, secularization, nationalism, imperialism, liberalism, feminism. The course is primarily focused on development in Europe and USA, but also other issues of development on the Far East, dissolution of the Ottoman Empire or decolonization of Africa will be discussed. The course graduates will be able to understand basic development trends of the 19th century and to interpret also new definitions and issues connected with this period.	
Brief outline of the course: The French Revolution as a phenomenon of European history of Modern Era (Causes of crisis of the French society, stages and course of the French Revolution) The Napoleonic Era in the history of France, division of the world after the Congress of Vienna in 1814-1815 Development in Europe in 1815 – 1848 (particularities of the so-called "Metternich" system, establishment and activities of the Holy Alliance, events of 1830s and 1840s in Europe, liberation movements in Serbia and Greece). Decline of the Ottoman Empire in the 19th century (Demonstrations of timar-sipahi system crisis, reforms of Sultan Selim III (1761 – 1808), the Tanzimat period (1839–1876). The Eastern question	

at the end of Modern Era (the Third Balkan Crisis (1875-1879), Congress of Berlin and the Bosnian Crisis).

Revolutionary years 1848 - 1849 (revolutionary years and their causes and consequences for development of European continent, description of revolutions in individual countries).

Historical development of the Far East in 1839 – 1905 (involvement of great powers and division of influence, the so-called “Opium Wars”, Sino-French war, Meiji reforms in Japan, Sino-Japanese war, "Boxer" Rebellion in China, Russo-Japanese war).

Development in USA in the 19th century – on the road to isolationism + causes, course and results of civil war in the USA (1861-1865)

The end of colonial division of the world and attempts at its new division (Dissolution of Spanish colonial domination on American continent, Characteristics of colonial division of the world at the end of the 19th century, fighting for colonies in Africa at the end of the 19th century and at the beginning of the 20th century).
